

Mastering the Art of Instrument Navigation

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Join Doug Stewart, founding member of SAFE in discussions about the pitfalls of instrument flying. Click on the link below and register TODAY.
